

INVERTER APPLICATION CHECKLIST:

Salesman's name	
-----------------	--

Partner name	
--------------	--

Customer Details	
Contact name	
Job Title	
Company name	
Address	
Postcode	
Telephone No	
Fax No	
E-mail address	

Application overview	
Project name	
Project timescales	
Competitor information	

Mains supply and motor characteristics

Supply voltage	Voltage	
	Three / Single phase	
kW Rating of motor	kW	
Full load current of motor	Amps	
Ventilation of motor	Forced or natural	
Brake fitted to motor	Yes or No	
Feedback device fitted to motor	Type	
Cable length between inverter and motor	metres	

Application detail

Motor Load	Fan	
	Pump	
	Conveyor	
	Hoist	
	Other	Use space provided below...

Inverter requirements

Ambient temperature range	Min (°C)	
	Max (°C)	
IP Rating of inverter required	IP20	
	IP54	
	Above IP54	
Control of Inverter	Analogue input	0 - 10 Volts
		0/4 - 20 mA
		Fieldbus required
Door mounting kit required ?	Yes	
	No	
Special Firmware required (Please specify)		

Application notes; use the attached space to draw out any relevant detail
